

# The Olin Stephens Regatta

Open to all S&S designed boats

On Friday 30th May there will be a racing for all Sparkman & Stephens designed boats, organized by the Association in cooperation with the K.N.Z. & R.V..

The Regatta is "open" for all S&S boats, members of the Association or non members. There will be a race on Friday the 30th on the IJselmeer in front of Enkhuizen. After the racing there will be "lots Heineken beer" and "American barbecue" for all the sailors and the participants of the AGM 2008. There is a Meissner CMB24 for the best race result provided by Holmatro Marine Equipment, there is a special "Glass" design provided by the Alex Luigjes and there will be something for all the participating boats. Boats from as far as Portugal, Norway, Germany and the UK have indicated their intention to sail over for the event. Owners who are more into "cruising" than into "racing" are also invited to participate, since there should be serious racing as well as "fun" for both!

The cost to start in the race is € 65 per boat, including bbq, drinks for 4 persons and one night berth at the "Buyshaven". Please say the word around and stimulate friends to participate! Overseas members who would like to join the racing could make this known, so the need for crew could be "matched"

Yachts attending: Meisje, Leto, Morning Sight, Sasha, Bolero

Olin is handing the "Meissner " trophee to the owner of "Bolero" at Newport
