Although Olin could not attend the Meeting he was in our hearts and minds given the beautiful display of his designs attending the Regatta and the meeting. Our Honorary Secretary Patrick Matthiesen read a message from Olin for gathered crowd during the Gala Dinner in the tent on the Buyshaven. Two identical and unique rings were presented, one a present for Olin's birthday from the Association and the other one was auctioned for a good cause: the K.N.R.M.

David Olley, one of the founding members, did not give in during the auction and got hold of the second ring. They have over thirty names of favorite S&S designs engraved in them. For 550 Euro he became the lucky owner of the ring, but as he later stated: "it will hardly be in my possession as I intend to use it as a trophy for coming meetings in the south of England".

And sometimes it was tiring !!!!!!!

Friday:
