The Association is a worldwide club of owners of sailing and motor craft designed by the New York naval architects, Sparkman & Stephens Inc. It was formed in England at the Cowes Classics Rally of 1993 by four devoted owners of S&S designed cruiser-racers, but it quickly expanded to encompass owners of sailing craft of S&S design in many countries.

The members share a love for the fast, sea-worthy and beautiful yachts created by Sparkman & Stephens. The S&S Association benefits greatly from a very strong relationship with Sparkman & Stephens Inc. in New York who actively encourage and support our activities.

Invitation

2009 Laying up supper
14 November, 2009 at 7 pm
Will be held at the
Village Hall in Upton Grey,
Hampshire
