

SPARKMAN  STEPHENS
YACHT DESIGN - BROKERAGE - CHARTER - INSURANCE

~ Dorade ~
52' Sparkman & Stephens Design No. 7

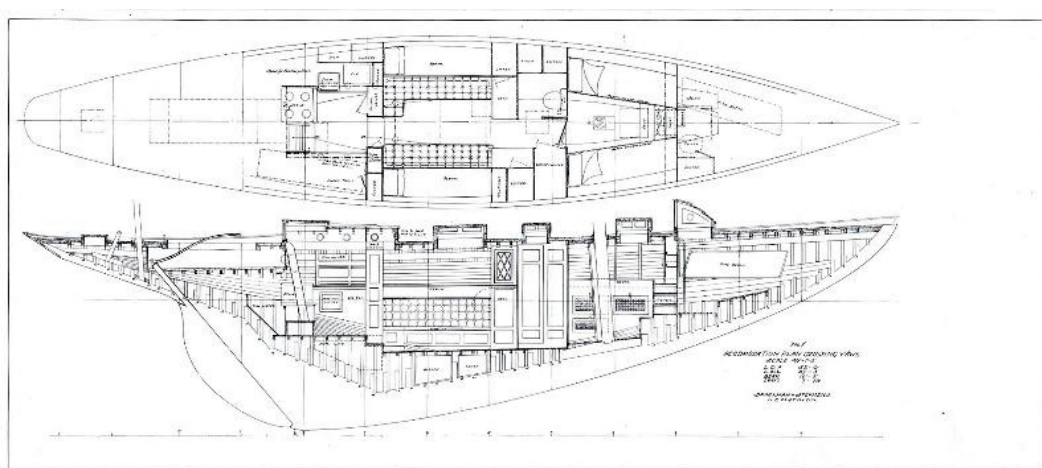

In 1929 the 21-year old yacht designer Olin Stephens entered into a partnership with yacht

broker Drake Sparkman and the firm of Sparkman & Stephens was born. In 1931 Olin, his brother Rod, their father Rod Stephens, Sr. and a young crew entered and won the much-publicized 1931 Trans-Atlantic Race in a boat named *Dorade*. That victory launched the design reputation of Sparkman & Stephens - a firm that literally changed the face of yachting forever.

Now 79 years after the famous Trans-Atlantic Race of 1931 *Dorade* is for sale. She is fully restored and in impeccable condition. And as anyone who has seen her racing in New England in recent years can attest, she is still fast and competitive.

This is a rare opportunity to own a piece of yachting history.
