I amsterdam®

In 2014 the Netherlands will again host the Sparkman & Stephens AGM, this time in a brand new marina in the middle of Amsterdam. The set-up of the 2014 AGM will be a bit different to last year's. We will have more sailing and have more informal drinks and dinners on the pier right next to boats. Also, in order to enable more members to join in, we are aiming to keep the cost of the event down. For members attending without their boats we will try to arrange sleeping accommodation on board the participating boats, but they could also opt for the "Botel" - a hotel on a boat – very near the marina.

But of course we would like to get as many boats as possible to Amsterdam.

That is why we have changed the date to the end of June, hoping for good weather and to give you the opportunity to extend your stay in Holland with a holiday cruise around the beautiful and picturesque IJsselmeer (remember Enkhuizen?) or the lovely Friesian Island in the north of Holland.

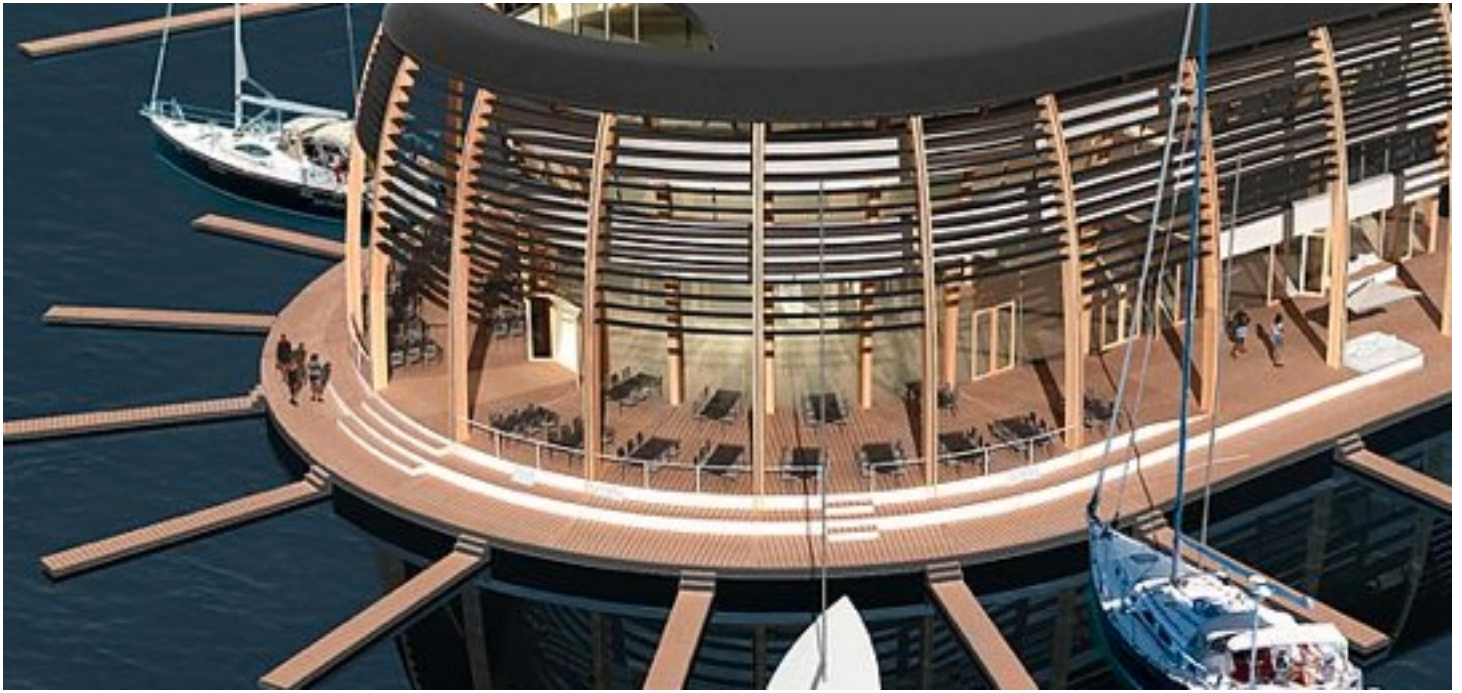

Participation

Detailed information about the programme and registration will follow shortly. If you intend to join the AGM, please let us know

in advance; this will help us with our planning. If you have any questions, also about travel to and from Amsterdam or about the sailing areas

Or you could spend a little more time in Amsterdam to experience our renowned capital and maybe visit the famous recently re-opened Rijksmuseum. From the marina you can take the free ferry, which takes you right to the center of the city in no more than 15 minutes. We can offer you a reduced berthing fee not only during the AGM but also in the week before and after the event. If you are not

able to get your boat to Amsterdam after all, Schiphol airport is only about half an hour away (by train and free ferry) and is a destination for several low-budget carriers.

Dear members, we hope you will all join the 2014 S&S AGM,
and will be able to say

I amsterdam.
