SNEAK PREVIEW

The programma for the upcoming AGM 2014 in Amsterdam is getting more and more shape.

On friday afternoon there will be a welcome reception at the round kay where our beautiful boats will be berthed. In the evening every one is free to wine and dine in the harbour restaurant Loetje, or very near in the IJkantine, or take the ferry and wander through

the centre of Amsterdam and pick a restaurant somewhere at one of the beautiful canals.

Saturday morning we will start early with the briefing for the regatta. We will organise a pursuitrace,

meaning everyone will start at a different time according to handicap, so every boat is able to finish at the same time. In the evening we will have a buffet dinner at the Pollux. Sunday morning the meeting will take place in the Marina. Afterwards we will have lunch together and the official part of the AGM will end.

HOLIDAY SUGGESTIONS

Expand your stay in Holland and choose one of these beautiful sailing grounds

IJSSELMEER

Sail the IJsselmeer, an inland lake with perfect sailing grounds and a lot of historic and very picturesque harbours and villages.

ZEELAND

Another option is Zeeland, with sheltered waters and very typical dutch fortification villages like Hellevoetsluis and Zierikzee

WADDEN ISLES

Or spend some time at the Wadden Isles, with cosy harbours and beautiful sand beaches, and look at the seals!

Dear members, we hope you will all join the 2014 S&S AGM!
And for now we wish you a merry Christmas and all the best for 2014!

I amsterdam.
